

FIRST LOOK: Largest man-made crystal lagoons Egypt

1 of 6

Next ▶

Earlier this month, filling began at Sharm El Sheikh Crystal Lagoon, located in 'Citystars Sharm El Sheikh' mega mixed-Use development by Citystars Properties

This is really great. I checked out the lagoon while visitng Sharm El Sheikh and it looks amazing. I can imagine how stunning it will look like from a 3rd floor apartment that overlooks the lagoon. I want to know how to contact them to inquire about apartment prices?
