

## Los Cabos: Capture from space one of the largest pools in the world

October 5, 2021

*The French astronaut, Thomas Pasquet, managed to capture from space, the huge pool of the Diamante hotel in Cabo San Lucas.*

**Los Cabos, Baja California Sur.**- The French astronaut, **Thomas Pasquet**, shared on **social networks** a unique photograph taken from the **European Space Agency**, where **one of the largest pools in the world** is observed.

The huge pool is located neither more nor less in the destination of **Los Cabos** .

During the taking of images from the " **alpha mission** " in space, a blue spot caught the attention of the **aerospace engineer**, when he captured the territory of **Baja California Sur** in all its splendor .

It is the "**Crystal Lagoons**" pool at the **Hotel Diamante**, in **Cabo San Lucas**. An exclusive **4.5-hectare** pond around the resort. This pool is considered one of the largest in **the world**, to the extent that it stands out in a **large dimension** from the outskirts of **the planet**.

The colossal artificial lagoon in service had a construction cost of **4 million dollars**. It uses up to **100 times less chemicals** than a traditional pool, and only **2% of the energy required** by **conventional filtration technologies**, consuming **half the water** that a **park of the same size** occupies, and using up to **30 times less** of the vital liquid that a pool requires. **golf course**.

The colossal artificial lagoon in service had a construction cost of **4 million dollars**. It uses up to **100 times less chemicals** than a traditional pool, and only **2% of the energy required** by **conventional filtration technologies**, consuming **half the water** that a **park of the same size** occupies, and using up to **30 times less** of the vital liquid that a pool requires. The pool of the **Diamante hotel** , resembles a **missing piece** of the Cabeño puzzle, appreciated from **space** .

Around the lagoon, there are ample **beach areas** , a set of **restaurant-bars** , and a **modern Jacuzzi** for the relaxation of **resort** guests .

The photography of the **Crystal Lagoon** pool, in **Los Cabos**, became an international trend in applications such as **Twitter** and **Facebook**, after its exhibition

The name of **Thomas Pasquet**, came to light again on the web as a **visionary space explorer** who discovers the **most hidden** and **imperceptible areas** for the human eye in any region of **the world**
